The field of view is not as wide as the 7x50 military models but is quite acceptable. They advertise that once focus is set at 60' or beyond your good to go but I find that a bit optimistic. 100' or more would be more like it. This focus system is ideal if most of your subject's are at mid to long range i.e hunting, boating, landscape or an Air Traffic Controller etc. It's doubtful that these ...

The M-65 Field Jacket is the perfect choice for protection, warmth and functionality in various inclement weather conditions. Steeped in military history, this classic jacket was first introduced in 1965 and worn by our U.S. troops for decades. The improved design features of the M65 field jacket made it the replacement for the M-1951 jacket (which had replaced the M-1943 jacket). Each jacket ...
