Saving money, or the "saving habit"—as Napoleon Hill put it many years ago in his classic "Think and Grow Rich"—is the foundation of all financial success. Having money saved is what provides the means for you to take advantage of situations—whether it's going back to college, starting a new business, or buying shares of stock when the market crashes.

Thorough (enough), yet easy-to-read, this is an accessible guide to VW maintenance. It will walk you step-by-step through most of what you need to keep yours running. Written with wit and humor, it is also a very enjoyable read. You may need some other manuals for more in-depth coverage of some topics, but this book is an excellent starting point. Read more. 6 people found this helpful ...
