Frightful must it be, for supremely frightful would be the effect of any human endeavor to mock the stupendous mechanism of the Creator of the world. Taken from Mary Shelley ' s Author ' s Introduction to the 1831 edition of Frankenstein, this quote describes the vision that inspired the novel and the prototypes for Victor and the monster.

There is worldwide concern over false news and the possibility that it can influence political, economic, and social well-being. To understand how false news spreads, Vosoughi et al. used a data set of rumor cascades on Twitter from 2006 to 2017. About 126,000 rumors were spread by 3 million people. False news reached more people than the truth; the top 1% of false news cascades diffused to ...

The Kon-Tiki expedition was a 1947 journey by raft across the Pacific Ocean from South America to the Polynesian islands, led by Norwegian explorer and writer Thor Heyerdahl. The raft was named Kon-Tiki after the Inca god Viracocha, for whom "Kon-Tiki" was said to be an old name. Kon-Tiki is also the name of Heyerdahl's book, the Academy Award-winning 1950 documentary film chronicling his ...

In the realm of human relationships, the book of Genesis reveals that man with God is seen as living at peace and in harmony with other men. One of the most beautiful stories in this book is of Abraham dwelling under the oaks of Mamre with the Canaanites all around him, the men who had for many years been his enemies. But God so worked in the life of that man Abraham that even his enemies were ...
